

## Collegiate Penetration Testing Competition (CPTC)

RIT University, Dubai, a silicon oasis, is the hub that holds the CPTC competitions of the Middle East region. The winning team attends the global competition in the RIT main campus, New York, USA.

The competition is held in two phases: regional and global. The regional competition was held on October 23, 2021, and the global one from the 6th-9th of January 2022.

KCST team was represented by:

**Team Coach:** Mr Tareq Al Zayyat

**Team Captain:** Abdulrahman Alotaibi

**Team Members:**

- Abdulrahman Serhan
- Nourah Alshammari
- Haya Alshammari
- Ahmad Alshabani
- Dania Abdelsamie
- Lulwah Alkandari
- Sundes Alawadh

**Supervised by:**

- Dr Basil Al Othman
- Mr Tareq Al Zayyat
- Ms Hanan Al Sharjah
- Ms Shahad Al Shafer

The CPTC offers the opportunity for students to practice their technical and non-technical skills in a simulated real-world environment, thus preparing students for their future jobs in the cybersecurity domain.
