

KCST Co-sponsored the BCCA 2022

The Fourth International Conference on Blockchain Computing and Applications (BCCA 2022) focus on the work of researchers and practitioners in the area of Cybersecurity. Prof. Khalid Al-Begain and Dr Ismaeel Al Ridhawi organised The First International Workshop on Blockchain for Trustworthy Industry 4.0 (BlockTrust 4.0), co-jointly with BCCA 2022.
