

Kuwait College of Science and Technology is fully licensed by the nation's Ministry of Higher Education/Private Universities Council and started its operation in 2016 offering degrees in Computer Science, Computer Engineering and Electronics and Communications Engineering. In 2022, the student population exceeded 1600, and the first cohort of engineers has graduated. The University has an outstandingly high research output in the context of the private universities in the Region.

One of the cornerstones of the University's strategy is "Engineering with Leadership", which means that the University aims to produce engineering graduates who are aware and conversant with management theory and techniques. Thus, its current engineering curricula already contain significant portions of economics, management, and entrepreneurship. In the near future, a new Faculty of Business Management will be launched.
